

## **EMISSION CLASSIFICATION OF BUILDING MATERIALS**

### **Kährs Oy**

The classification working group set up by The Building Information Foundation RTS has approved the following products:

**Upofloor Xpression**  
**Kährs LT Xpression**

as belonging to emission class M1 for building materials.

The classification is valid until 24.9.2023.

Kährs Oy has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2018 and the Classification of Building Materials: General Rules.
