

OAK CRISP

The semi-transparent stain on this single-strip, white oak floor from the Element Collection allows the warmer hues to come through, giving the floor a light colour balance and a classically Nordic expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided micro-bevelling at the edges ensures a traditional full plank look and feel. The matt lacquer finish eliminates glare while protecting the wood from daily wear.
