

Element Collection

OAK BRIGHT 242

The powder white finish on this single-strip floor from the Element Collection enhances the natural colour variances in the white oak and emphasises the bevelling with lustrous detail. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic full plank look and feel. The matt lacquer finish eliminates glare while protecting the wood from daily wear.
