

# OAK KINDA

The earthen grey stain on this single-strip oak floor from the Småland Collection allows the warmer tones in the base to come through, resulting in a very rustic expression with a delicately balanced colour variation. Light and dark contrasts in the wood are punctuated with occasional saw marks, which give the floor its restored appearance. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which enhances the rustic appearance of the floor.
