

OAK YDRE

The smoked stone stain on this single-strip oak floor from the Småland Collection allows the cooler nuances in the base to come through, resulting in a smooth and harmoniously balanced expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which enhances the worn appearance of the floor.
