

OAK TVETA

The rich, coffee stain on this single-strip oak floor from the Småland Collection allows the fully smoked, charcoal nuances in the wood to seep through, resulting in a very rustic expression. Light and dark contrasts in the wood are punctuated with occasional saw marks, which give the floor its restored appearance. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Each board is meticulously hand-scraped, which enhances the rustic appearance of the floor.
