

OAK ASPELAND

This flour-white stained, single-strip oak floor from the Småland Collection has an exceptionally rustic expression, balanced by its bisque finish. Light and dark contrasts in the wood are punctuated with occasional saw marks, which give the floor its restored appearance. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood.
