Dry Back Wood Collection

## TIVEDEN DRY BACK 0.55 MM

Our Luxury Tiles Dry Back collection is available in a wide selection of wood designs, from traditional to rustic appearance. It also includes exciting patterns. The Dry Back floors, with a 0.55 mm wear layer, are based on virgin vinyl and constructed in five different layers, topped by a ceramic coating. The result is extremely resilient and strong floors resistant to both scratching and water, which means that these floors are suitable even for spaces exposed to heavy traffic. Just like all our other Luxury Tiles floors, they are phthalate-free.
