

MAGGIORE

The black-and-tan colour range in this single-strip floor from the Da Capo Collection results in an extremely rustic expression. The naturally occurring knots and cracks add to the quality of the surface, giving the floor a worn complexion reminiscent of reclaimed timber. Each board is carefully brushed to bring out the quality of the grain and highlight the natural properties of the wood. Four-sided bevelling ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which emphasises the aged appearance of the floor.
