

OAK HORIZON

This single-strip oak floor from the Lux Collection features a misty white transparent stain, which allows distinctive gradations in the wood to come through. Four-sided micro-bevelling at the edging ensures a classic fullplank look and feel. Each board is carefully brushed to perfection to enhance the natural character of the grain. The ultra-matt lacquer finish enhances the natural variations in the wood, creating the impression of newly sawn timber. This effectively eliminates glare while protecting the floor from daily wear.
