

# OAK SUN

This single-strip oak floor from the Lux Collection features warm, washed undertones, with a lighter and calmer expression than most conventional natural oak floors. Four-sided micro-bevelling at the edging ensures a classic fullplank look and feel. Each board is carefully brushed to perfection, bringing out the faintly burnished nuances in the grain. The ultra-matt lacquer finish enhances the natural variations in the wood, creating the impression of newly sawn timber. This effectively eliminates glare while protecting the floor from daily wear.
