

OAK ATTEBO

The cigarillo brown nuances featured in this 3-strip oak floor from the Götaland Collection are enhanced by flashes of rich charcoal and burnt embers, resulting in a moderately rich colour variation and a refined expression. Occasional saw marks accentuate the floor's restored appearance. Each board is meticulously hand-scraped and carefully brushed to bring out the character of the grain and highlight the natural texture of the timber. Four-sided bevelling at the edges ensures a classic full plank look and feel.
