KÄHRS CLEANER CONCENTRATE

A concentrated form of cleaner to be mixed with water and applied with a mop. An effective and environmental friendly product specially formulated for cleaning all Kährs floors. Available in 1 litre.

Kährs Cleaner is an effective product specially formulated for cleaning wood and vinyl floors. Does not contain any organic solvents or pigments. For normal daily cleaning.

Application

Make sure that the surface is free from any dirt or debris that may scratch the surface, by vacuum cleaning or dry mopping. Dissolve the Cleaner in lukewarm water according to dosage information below.

Note: Never pour water onto wood floors. Use a cloth wetted with water and squeezed dry. Only dampen the floor slightly. The film of water left by the floor cloth must dry within a minute

Health and Environment

Kährs Cleaner is not classified as hazardous to your health or the environment. Precautions common for handling chemical products should be taken. For further information, please see the Material Safety Data Sheet.
