

OAK CHEVRON GREY

The distinctive, weathered grey stain on this ready-to-install, patterned oak board from the Chevron Collection brings an elegant expression to this traditional floor, and accentuates its timeless look. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Partial handcrafting gives each board its unique appearance, while micro-bevelling enhances the iconic geometric design. This is a frame board which is supplied in form of a plank, it can be used to create a boarder around the Chevron patterned design. This product requires an, after installation, maintenance treatment using Kährs Satin Oil Matt.
