KÄHRS POLISH

Kährs Parquet Polish is an effective, environment friendly product that revives finished wood and parquet floors. Self-polishing, waterproof and protecting against mechanical wear, Kährs Parquet Polish both cleans and protects your floor.

Application

Carefully remove polish, wax, dirt, oil etc. from floors prior to refinishing. Use Kährs Remover.

Wait for the floor to dry. Good ventilation and normal room temperature (20°C) minimize the drying time.

Use approx. 10 caps polish in clean water and clean the floor using a cloth wetted with water and squeezed dry. Never use the polish concentrated.

4. Allow the floor to dry for 1-2 hours before using it.

5. Repeat if needed.

Clean and maintenance with polish two or three times per year.

Do not use strong alkaline cleaning products.

Health and Environment

Kährs Parquet Polish is not classified as hazardous to your health or the environment.
