KÄHRS ECOFIBER

Kährs Ecofiber is a circular product allowing you and your customers to make an even more sustainable choice regarding underlayment.

Kährs Ecofiber is a circular product allowing you and your customers to make an even more sustainable choice regarding underlayment.

The strong sustainable properties of Kährs Ecofiber include:

- * 100 percent recycled content consisting of textile and paper
- *100 percent recyclable
- * Reduces waste of energy through a high thermal conductivity, by efficiently transporting warmth from underfloor heating
- * Contributes to a pleasant interior environment by providing a good sound isolation of 16 dB
- * And in addition is easy and fast to install

These sustainable properties allow Kährs Ecofiber to support a better environment with minimal impact by reducing the need for production of new raw material, in addition to then reusing waste material and in the end being a recyclable product thereby contributing to a circular product life.

Product details

Article Number	710103
Name	KÄHRS ECOFIBER
EAN Code	7393969200950
Accessory type	Installation
Length	15000 mm
Width	1000 mm
Thickness	1 mm
