DETAILED DESCRIPTION

All naturally occuring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Knots and cracks will be present in all sizes and numbers. Grande products may continue to develop their rustic nature after the floor has been installed; splits and cracks that occur after installation are normal and should be considered part of the timbers natural character.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of colour variation to medium, straw brown.

Packages may contain start and stop boards.
