KÄHRS WOODFILLER

Used for repairs when the wood has become dented or scratched. For best results use in combination with Touch-Up lacquer.

Kährs Woodfiller is a versatile putty designed to repair scratches and damage in wood, veneered, and laminate flooring. It creates a hard, durable repair that bonds naturally with the wood while maintaining enough flexibility to adapt to changes in humidity and temperature. The result is a long-lasting, seamless finish that blends beautifully with your floor. Easy to apply and quick to dry, it's an ideal solution for both professional installers and DIY users seeking a smooth, natural-looking result.
