

ASH BLACK COPPER

This striking, black-stained single-strip ash floor from the Shine Collection features copper metallic highlights in the pores for a dramatic effect. Four-sided micro-bevelling at the edges ensures a classic, full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The high-gloss lacquer finish adds lustre, giving the floor a polished appearance while protecting the wood from daily wear.
