

OAK FUMOIR

The light-smoked finish of this single-strip oak floor from the Shine Collection enhances the colour variation in the timber, which ranges from a fair brunette to a warm stone hue. Four-sided micro-bevelling at the edges ensures a classic, full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The high-gloss lacquer finish adds lustre, giving the floor a polished appearance while protecting the wood from daily wear.
