

Shine Collection

BEECH OPAQUE

The white, semi-transparent stain on this single-strip beech floor from the Shine Collection enhances the alabaster hue of the timber. Four-sided micro-bevelling at the edges ensures a classic, full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The high-gloss lacquer finish adds lustre, giving the floor a polished appearance while protecting the wood from daily wear.
