

OAK TEXTURE NATUR

This single-strip oak floor from the Texture Collection creates a genuine rustic expression with its warm honey hue and chestnut-brown grain. Each board is heavily brushed and the genuine cracks and knots in combination with the saw marks bring out the character of the grain and highlight the natural texture of the wood. Four-sided beveling at the edges ensures a classic, full plank look and feel.

pallet		LRV / LRV Std1	34 / 8.3

DETAILED DESCRIPTION

All naturally occurring wood color variations allowed, from light to dark brown. Sapwood may occur.

The product includes very large sound, black knots and cracks. Knots and cracks will be present in all sizes and numbers and not all of them filled. This is part of the design of these floors.

The product will continue to develop their rustic character after the floor has been installed. Splits and cracks that occur in the floor, after installation are normal and should be considered part of the timbers natural behavior.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of color variation to medium, straw brown

Packages may contain start and stop boards.
