

TEXTURE GRAU

The smoked gray stain on this single-strip oak floor allows the cooler nuances of the base color to come through, resulting in a smooth and harmoniously balanced expression. Each board is heavily brushed, adding dimension and bringing out the character of the grain. Additionally, the floor features saw marks and genuine cracks and knots, which highlights the natural texture of the wood. A four-sided micro bevel at the edges ensures a classic, full plank look and feel.
