

## OAK DOME

The honey hues found in this single-strip oak floor from the Habitat Collection enhance the grain with a warm colour palette. The floor comes with long planks, which add depth to its clean expression. Four-sided bevelling at the edges ensures a classic full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the timber. The matt lacquer finish eliminates glare while protecting the wood from daily wear.
