

OAK GHOST 226

The semi-transparent white stain on this single-strip oak floor from the Lux Collection balances the light and dark contrasts in the wood, allowing the subtle warm oak tones to softly filter through. Four-sided micro-bevelling at the edging ensures a classic full plank look and feel. Each board is carefully brushed to perfection to enhance the natural character of the grain. The ultra-matt lacquer finish enhances the natural variations in the wood, creating the impression of newly sawn timber. This effectively eliminates glare while protecting the floor from daily wear.
