

OAK ASTER MATT 200

The natural oak design of Oak Aster is beautiful in its own right without any additional staining. Natural by design, the warm colours of the oak are able to penetrate the oiled surface completely uninhibited. Each board is carefully brushed, accentuating the natural wood grain while softening the texture, knots and cracks. Any contrast in colour are purely natural, letting the raw material speak for itself. Oak Aster is also available in an oiled finish.
