

# ASH FLOW

The white structure and semi-transparent stain on this single-strip ash floor from the Lux Collection balances the light and dark contrasts in the wood, allowing the warm ash tones to softly filter through. Four-sided micro-bevelling at the edging ensures a classic full plank look and feel. Each board is carefully brushed to perfection to enhance the natural character of the grain. The light-absorbing, ultra-matt lacquer finish creates the impression of newly sawn timber, effectively eliminating glare while protecting the wood from daily wear.
