

OAK PARIS ULTRA MATT 200

The blonde nuances in this white, single-strip floor from the Capital Collection are balanced by an even colour variation between planks. Only the finest quality oak timber is used, and each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The lightabsorbing, ultra-matt lacquer finish creates the impression of newly sawn timber, effectively eliminating glare while protecting the wood from daily wear. Foursided micro-bevelling at the edges ensures a classic, full plank look and feel.
