

OAK ZEPHYR

Oak Zephyr is a gently, light white-washed floor which brings a sense of airiness and openness into a space. The contrast of the darker knots and cracks in the wide planks is softened by the gentle brushing of the natural wood, creating both a soft feeling under-foot as well as emphasizing the design nature has given us in each unique plank.

DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Partly filled knots and cracks will be present in all sizes and numbers. Any flaking in the wood-surface is due to the hand-crafting technique used on the surface to create the design and is permitted without restriction.

Oil: This floor should be oiled immediately after installation.

Colour change: Stained product - noticeable color change over time.

Packages may contain start and stop boards.
