

OAK SIROCCO

The warm desert wind called Sirocco is the inspiration for the warm, golden, light-brown stained color of the wide flooring planks of Oak Sirocco. The soft brushing brings out the character of each unique plank and highlights the texture of the wood grain, and the knots and cracks which gives the floor its natural rusticity.

DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Partly filled knots and cracks will be present in all sizes and numbers. Any flaking in the wood-surface is due to the hand-crafting technique used on the surface to create the design and is permitted without restriction.

- Oil:** This floor should be oiled immediately after installation.
- Colour change:** Some muting of colour variation to medium, straw brown.
- Packages may contain start and stop boards.
