

OAK EURUS

The light, warm, honey-tones of Oak Eurus showcases the unstained and beautiful oak of each plank. It allows the design features that nature has provided, such as the wood grain, knots and cracks to softly contrast with darker toffee nuances against the natural, softly brushed oak wood.

DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Partly filled knots and cracks will be present in all sizes and numbers. Any flaking in the wood-surface is due to the hand-crafting technique used on the surface to create the design and is permitted without restriction.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of colour variation to medium, straw brown.

Packages may contain start and stop boards.
