

OAK BOREAS

Oak Boreas intermingles colder, whiter tones with elements of slightly warmer, darker features such as knots and cracks creating a variety of shades for a natural, rustic look reminiscent of a freshly-cut oak. It is further enhanced by the careful brushing which accentuates the wood grain of each, unique wide plank.

DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Partly filled knots and cracks will be present in all sizes and numbers. Any flaking in the wood-surface is due to the hand-crafting technique used on the surface to create the design and is permitted without restriction.

- Oil:** This floor should be oiled immediately after installation.
- Colour change:** Stained product - noticeable color change over time.
- Packages may contain start and stop boards.
