

INFINITY SHEET 542202 DUSTY BLUE

The color options of our Zero contract sheets have been fully synchronized, providing plenty of opportunities to design a space with a feeling that fully complements its usage. The non-directional chip design looks the same from every angle, allowing efficient use even in the most complex areas.

Kährs Infinity is a more circular, sustainable, Enomer®-based flooring, free from PVC, plasticizers, phthalates, and halogens, ensuring a healthier environment. With a high recycled material content, it meets the demands of healthcare and educational spaces. Its versatile, trend-inspired color palette offers endless design possibilities, perfect for creating dynamic interiors.
