KÄHRS CHEVRON CUTTING TEMPLATE

Cutting template used in the installation process for Chevron pattern vinyl floors.
The template has printed on the backside the instructions and the video is available on our Youtube channel.
It makes the installation easier and faster, especially on the end rows.
It facilitates the installation for the Sensation Collection Chevron products.

It is a special tool designed to reduce the installation time for the installation of the Chevron pattern vinyl floors.
The instructions are also available on the backside. Follow them step by step for an interesting experience.
