

Accessories / Installation / **Installation**

KÄHRS HERRINGBONE CUTTING TEMPLATE

Installation tool used for the Herringbone patterns, a cutting template which reduces the time for the job and offers a nicer experience. It is very useful, especially for the end rows. The instructions are printed on the backside of the tool. It facilitates the installation for the Sensation Collection Herringbone products.

Installation tool used for the Herringbone patterns, a cutting template which reduces the time and offers a nicer experience. It is very useful, especially for the final rows.
