## DETAILED DESCRIPTION

For adhesive-free installation in homes and public spaces. Maximum durability and stability through the rigid core and the unique 5G locking system, enabling easy installation by clicking the tiles together. Made from rigid core virgin vinyl, they are phthalate-free and have IXPE sound reducing backing, effectively controlling noise. The surface is treated with a strong ceramic coating resistant to wear, scratching and water. Can be installed on an existing floor, ideal for renovation projects.
