

OAK HERRINGBONE CD SMOKED GREY

Oak Herringbone CD Smoked Grey is a premium 2-layer European oak parquet with natural colour variations and knots. Each bundle includes both left and right elements for glue-down herringbone installation. The generous dimensions are accentuated by four-sided micro-bevelling, and the lightly smoked surface is brushed and treated with tinted grey oil for a subtle, patinated look.

DETAILED DESCRIPTION

Naturally occurring wood colour variations allowed, from light to dark brown. The product includes large sound and black knots. Knots may vary in size and numbers.

Oil: This floor should be oiled immediately after installation.

Colour change: The smoked finish accentuates the natural colour variations, creating a stronger contrast between light and dark tones initially. Over time, the colour variations will soften, resulting in a more uniform overall appearance. The oiled surface will develop a natural patina.

Packages may contain start and stop boards.
