### DETAILED DESCRIPTION

Naturally occuring wood colour variations allowed, from light to dark brown. The product includes large sound and black knots. Knots may vary in size and numbers.

- Oil:** This floor should be oiled immediately after installation.
- Colour change:** The smoked finish accentuates the natural colour variations, creating a stronger contrast between light and dark tones initially. Over time, the colour variations will soften, resulting in a more uniform overall appearance. The oiled surface will develop a natural patina.
- Packages may contain start and stop boards.
