

ASH STREAM

This single-strip, stained ash floor from the Lux Collection features earthy undertones and soft, stone grey hues. The pigmentation balances the light and dark contrasts in the wood and creates a dramatic impression. Four-sided micro-bevelling at the edging ensures a classic full plank look and feel. Each board is carefully brushed to perfection to enhance the natural character of the grain. The light-absorbing, ultra-matt lacquer finish creates the impression of newly sawn timber, effectively eliminating glare while protecting the wood from daily wear.
