

# OULANKA CLW 218

Kährs Luxury Tiles Click floor Oulanka was inspired by the light gold and brown tones of wheat fields swaying in the wind, one of our most popular LVT floors. Authentic wood colours and realistic characterful features such as knots and cracks enhance the natural look of this floor.

## DETAILED DESCRIPTION

For adhesive-free installation in homes and public spaces. Maximum durability and stability through the rigid core and the unique 5G locking system, enabling easy installation by clicking the tiles together. Made from virgin vinyl, they are phthalate-free and have IXPE sound reducing backing, effectively controlling noise. Surface treated with a strong ceramic coating resistant to wear, scratching and water. Can be installed on an existing floor, ideal for renovation projects.
