

CORMORANT

The Kährs Luxury Tiles Loose Lay collection consists of a range of modular floors featuring wood and stone designs. They are easy and fast to install, featuring a non-slip reverse side requiring no adhesive. This makes them perfect for both permanent and temporary use, such as for fairs and shows. The floors are 5.0 millimeter thick, which makes them ideal for combining with carpet tiles without any difference in level. They are made from virgin vinyl and the surface is treated with a ceramic coating for strength and durability. Like all other Kährs Luxury Tiles floors they are phthalate free.
