DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Partly filled knots and cracks will be present in all sizes and numbers. Any flaking in the wood-surface is due to the hand-crafting technique used on the surface to create the design and is permitted without restriction.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of colour variation to medium, straw brown.

Packages may contain start and stop boards.
