

# OAK OVIS

Oak Ovis brings together the gentle warmth of natural oak with the softly diffused character of Rohoptic Oil. The surface carries a subtle, powdery patina that feels both modern and timeless. Deep brushing follows every rise and fall of the grain, adding quiet movement, while naturally occurring knots are hand-repaired to preserve authenticity without overpowering the design. A 4-sided micro-bevel lends a light, tailored shadow, defining each board with precision.
