

NANGA PARBAT DBS 457

Our Luxury Tiles Dry Back collection is available in a wide selection of wood and stone designs. The wood designs range from traditional to elegant herringbone and rustic, while the stone designs span from classic stone to concrete. It also includes exciting patterns. The Dry Back floors, with a 0.7 mm wear layer, are based on virgin vinyl and constructed in five different layers, topped by a ceramic coating. The result is extremely resilient and strong floors resistant to both scratching and water, which means that these floors are suitable even for spaces exposed to heavy traffic. Just like all our other Luxury Tiles floors, they are phthalate-free.

PRODUCT DETAILS

Article Number	LTDBS3023-457
Dimensions	457 x 457 mm
Weight per Package	21 kg
Area per Package	5 m^2
Area per pallet	240.5 m^2
Construction	Dry back 0.7 mm

FACTS

Design	Stone design
Range	Luxury Tiles
Collection	Dry Back Stone Collection
Floor heating	Yes
Thickness	2.5 mm
