

OAK CURIO

The charcoal-brown hues found in this single-strip oak floor from the Canvas Collection range from dark to light. Natural variations in the timber, alongside mottled knots and cracks, give it a rustic expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The matt lacquer finish eliminates glare while protecting the wood from daily wear. Four-sided bevelling at the edges ensures a classic full plank look and feel.
