

OAK DUBLIN ULTRA MATTE 242

The light honey nuances in this single-strip oak floor from the Capital Collection range from faint tan to pale golden brown, giving it an even coloring. Only the finest quality oak timber is used, and each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The light-absorbing, ultra-matt lacquer finish creates the impression of newly sawn timber, effectively eliminating glare while protecting the wood from daily wear. Four-sided bevelling at the edges ensures a classic, full plank look and feel.
