

## OAK LILY

This rustic, plank oak floor from the Flora Collection has an oiled surface that gives the wood a warm, expressive appearance with rich natural color variation. Each board is deeply brushed to accentuate the grain pattern and emphasize the wood's authentic texture. Four-sided bevels create a timeless full-plank appearance, adding depth and definition to every board. Hand-scraping further enhances the floor's aged character, giving it the appearance of wood beautifully worn by time.
