

OAK MANOR

The powdery white stain on this single-strip oak floor from the Grande Collection softens its rustic expression and allows the blonde tones of the wood to come through. Each board is meticulously hand-scraped, which enhances the worn appearance of the floor. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. This product must be oiled after installation and prior to use.
