

MAISON OAK

The smoking of the boards together with the white oil gives this floor a look that is blue with white pores. The smoking creates big differences in colour between the boards. Handscrapped, may contain knots and cracks. This product must be oiled after installation and prior to use.

Naturally occuring wood colour variations allowed, from light to dark brown. The smoked design is likely to enhance the naturally occuring wood colour variations and create further contrast between light and dark. The product includes large sound and black knots. Knots may vary in size and numbers. Grande products may continue to develop their rustic nature after the floor has been installed, splits and cracks that occur after installation are normal and should be considered part of the timbers natural character.
