Grande Collection

OAK MAISON

The combination of smoking and white oil gives this single-strip oak floor from the Grande Collection a dusky blue finish with pale ashen highlights in the pores. The colour variation between boards is very apparent due to the fully smoked planks. Every board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Each board is meticulously hand-scraped, which enhances the rustic appearance of the floor. This product must be oiled after installation and prior to use.
